1) The Secretary. Kshatiga Prantik Sabha

OFFICE OF THE SECRETARY
18. APR. 1927
REPRESENTATIVE ASSEMBLY
AND
LEGISLATIVE COUNCIL

8/1
18/4.
Sir,

In acknowledging the receipt of the copy of Proceedings of the Government of His Highness the Maharaja of Mysore, Order No. Rel.1075-84/R.A. 49-26 dated Bangalore the 12th April 1927, I beg to ~~inform~~ enclose herein copies of our representations to the Deputy Commissioner, Mysore District, Mysore, in the matter, for kind information of the benign - Government of Sriman His Highness the Maharaja ~~Saheb~~ Bahadur of Mysore.

This Sabha is highly indebted to the benign Government of Sriman His Highness the Maharaja Saheb Bahadur of Mysore for kindly recognising it for being represented on the Representative Assembly, but feels - very sorry for having degraded it by grouping it with a non-Communal Sabha.

This Sabha feels extremely sorry for the undeserved injustice - accorded to it at the hands of the benign Government of Sriman His - Highness the Maharaja Saheb Bahadur of Mysore, thus changing its distinct policy in matters communal.

Being directed by this Sabha, I have made it clear in my reference No.222/26 dated 26-3-1927 addressed to the Deputy Commissioner, Mysore District in the matter, that the Rajaput Upakarini Provincial Maha --

Maha Sabha of Mysore is not a Communal Sabha because it has extended the membership to the members of other Communities, such as the Gowda-Brahmins, the Lalas, the Khattries and the Kayasthas, who are not Rajaputs. The Rajaput Upakarini Provincial Maha Sabha of Mysore is registered for advancing the interests of the above mentioned communities and has also allowed the members of the above communities to be office-bearers, thereby the benefit if any derived being distributed amongst all the above communities, thus the interests of this most backward and neglected community, being allowed to suffer even in future. A kind reference to the Registrar of Joint Stock Companies in Mysore will clear the doubts if any. In this connection I invite your kind attention to the reply of the Secretary of the Kshattriya Maha Sabha (All-India) Rajaputana, to the Secretaries of the Rajaput Upakarini Maha Sabha Mysore, copy of which is enclosed herein, along with other enclosures. It will be seen therefrom that the Rajaput Upakarini Provincial Maha Sabha of Mysore is not recognised because it is not a Communal Sabha, by the Kshattriya Maha Sabha (All-India) wherein the noble and illustrious Rajaput (Kshattriya) Princess of India such as Sriman His Highness the Maharaja Saheb Bahadur of Alwar, Sriman His Highness the Maharaja Saheb Bahadur of Bikaner, Sriman His Highness the Maharaja Saheb Bahadur of Rewa, Sriman His Highness the Maharaja Saheb Bahadur of Sailana, Sriman Rajakumar Saheb of Shapura and others too numerous to mention are Office bearers and are working for the amelioration of this most backward and neglected yet noble and chivalrous race, and their first and foremost principle is that only communal members can be office bearers and become members thereof. Thus it is quite clear that the Rajaput Upakarini Provincial Maha Sabha of Mysore being a Non-Communal Sabha has neither right to claim election to the Assembly nor can elect on behalf of the Rajaput Community.

Under these circumstances I request you to move the benign Government of Sriman His Highness Maharaja Saheb Bahadur of Mysore to set aside the present order of grouping this Sabha with the other Non-communal sabha which is unjust and which this Sabha does

does not deserve, and to nominate the President of this Sabha as a member of the Mysore Representative Assembly on behalf of the Rajput Community for which act of justice, kindness and generosity this Sabha shall be highly indebted to the -- benign Government of Srīman His Highness the Maharaja Saheb Bahadur of Mysore. The Representations of this Sabha to the Deputy Commissioner, Mysore District, contain all the necessary details required for the nomination of a member from an - - association on behalf of minor Communities.

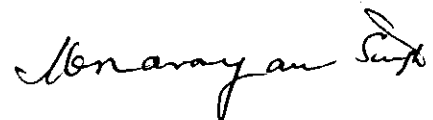

I am directed by this Sabha to inform you that under the circumstances the voter's list is unnecessary.

I am further directed by this Sabha to request you to kindly favour this Sabha with a very early reply of the action taken in the matter, as the same being a communal question has to be referred to the Kshatriya Maha Sabha (All-India) - - Rajaputana whose branch this Sabha is.

I beg to remain,

Your most obedient servant,

To,

A.V. Ramanathan, Esqr., B.A.,

Deputy Commissioner, Mysore Dist.,

M y s o r e .

Sir,

In enclosing herewith copies of the memorandum and articles of this Sabha and of the certificate of registration issued by the Registrar of Joint Stock Companies in Mysore for having registered this Sabha as No.970 dated 16-12-1926 under the societies regulations No.III 1904, I beg to state that this Sabha is also registered and recognised as a Branch of the Kshattriya Maha Sabha (All-India) representing the whole of Mysore State.

This Sabha learns that the Rajaput Upakarini Provincial Sabha of Mysore has tried for recognition and to elect a candidate to the Mysore Representative Assembly on behalf of the Rajaput Community.

I beg to state that that Sabha is not a Communal Sabha because it has extended the membership to the community other than the Rajaputs, such as the Gowda-Brahmins, the Kayasthas, the Khattriya, the Lalas and such others who are not Rajaputs and as such they have no - - rights either to elect a candidate on behalf of this community or claim the same.

This Sabha is a registered and recognised branch of the Kshattriya Maha Sabha (All-India) a purely communal Sabha, wherein the noble and illustrious Rajaput Ruling Princess such as His Highness

His Highness the Maharaja Saheb of Alwar, His Highness the Maharaja Saheb of Bikaner, His Highness the Maharaja Saheb of Rewa, His Highness the Maharaja Saheb of Sailana, The Rajakumar Saheb of Shahapura and others too numerous to mention are office bearers and are working for the amelioration of this most backward and most neglected community.

This Sabha is ~~working~~ working under the direct guidance of the Kshatriya Maha Sabha (All-India). The first and foremost principle of the Kshatriya Maha Sabha (All-India) is, that the membership -- extends only to members of the community i.e., Rajaputs and others are not allowed membership and even if allowed under special circumstances they have no voice in the management of affairs of the Sabha and they are not allowed to be office bearers. The -- Kshatriya Prantik Sabha S. P. M. Rajaputs Reading Room and Brotherhood, Mysore, is a communal organisation of one community i.e., Rajaputs Re-established recognised and guided by the Kshatriya Maha Sabha, (All-India).

I am herein enclosing for your kind information a copy of the reply from the Secretary, Kshatriya Maha Sabha, (All-India) to the Secretaries of the Rajput Bhakarini Sabha, Mysore, in reply to -- their representation and allegations against the Kshatriya Prantik Sabha, S.P.M. Rajaputs Reading Room and Brotherhood, Mysore, which gives you the details. This Sabha was re-organised on 14-1-1926 and opened on 4th July 1926. It has ~~held~~ 9 meetings during this period and has about 150 members. It has maintained the accounts of the Sabha up-to-date. The enclosed chart gives you an idea of the -- present various activities of this Sabha. The S.P.M. Rajaputs -- Hostel is organised and is anticipating the permission of His -- Holiness, Sri 108 Sri etc. Mahaswamyji Rajaguru, Rewa, for performing the opening ceremony of the same.

Under these circumstances I request you to be pleased to -- recommend the case of this Sabha to the Benign Government of our beloved and illustrious Sovereign His Highness the Maharaja Saheb of Mysore to ~~the~~ nominate the President of this Sabha as a member to the Mysore Representative Assembly on behalf of this minor --

Community (consisting a population of about 25,000) in for
which act of sympathy and generosity I, on behalf of this Sabha
pray Almighty to shower his choicest blessings on you.

I beg of you to be pleased to favour me with an early
reply of the kind and generous support rendered by you.

Sirs,

With reference to your letter dated 30th December 1926 and the accompanying report addressed to the President, I have been directed to say that according to your report, membership of your Sabha extends to other Castes, namely Kayasth, Khattris, Gowda Brahman etc. This is in direct Contradiction to the rules of the Keshattriya Maha-Sabha, the membership of which is exclusively confined to pure Keshattriya. The previous authorities, if any, are based upon the supposition that your Sabha is composed of pure Rajaponts only. Since your Composition is very general embracing non-Rajapont-Castes as well, I am sorry to inform you that the former authorities, if any, being based upon incorrect and insufficient information are invalid.

Will you please let me know on what facts and allegations you obtained the authority regarding your Sabha's recognition by the Keshattriya Maha Sabha, sending copies of the Correspondence.

The Secretary to the Government

of His Highness the Maharaja of Mysore,

Law Department, B a n g a l o r e.

In acknowledging the receipt of the copy of Proceedings of the Government of His Highness the Maharaja of Mysore, Order No. Rel.1075-84, R.A. 49-26 dated Bangalore the 12th April 1927, I beg to ~~inform~~ enclose herein copies of our representations to the Deputy Commissioner, Mysore District, Mysore, in the matter, for kind information of the benign Government of Sriman His Highness the Maharaja Saheb Bahadur of Mysore.

This Sabha is highly indebted to the benign Government of Sriman His Highness the Maharaja Saheb Bahadur of Mysore for kindly recognising it for being represented on the Representative Assembly, but feels very sorry for having degraded it by grouping it with a non-Communal Sabha.

This Sabha feels extremely sorry for the undeserved injustice accorded to it at the hands of the benign Government of Sriman His Highness the Maharaja Saheb Bahadur of Mysore, thus changing its distinctive policy in matters communal.

Being directed by this Sabha, I have made it clear in my reference No.222/26 dated 26-3-1927 addressed to the Deputy Commissioner, Mysore District in the matter, that the Rajaput Upakarini Provincial Maha --

Maha Sabha of Mysore is not a Communal Sabha because it has extended the membership to the members of other Communities, such as the Gowda-Prakhmins, the Dalas, the Khattriss and the Kayasthas, who are not Rajaputs. The Rajput Upakarini Provincial Maha Sabha of -- Mysore is registered for advancing the interests of the above -- mentioned communities and has also allowed the members of the above communities to be office-bearers, thereby the benefit if any -- derived being distributed amongst all the above communities, thus the interests of this most backward and neglected community, being allowed to suffer even in future. A kind reference to the -- Registrar of Joint Stock Companies in Mysore will clear the doubts if any. In this connection I invite your kind attention to the reply of the Secretary of the Kshatriya Maha Sabha (All-India) Rajputana, to the Secretaries of the Rajput Upakarini Maha Sabha Mysore, copy of which is enclosed herein, along with other enclosures. It will be seen therefore that the Rajput Upakarini Provincial -- 6. Maha Sabha of Mysore is not recognised because it is not a Communal Sabha, by the Kshatriya Maha Sabha (All-India) wherein the noble and illustrious Rajput (Kshatriya) Princes of India such as -- Sir Maharaja Sahib Bahadur of Alwar, Sir Maharaja Sahib Bahadur of Bikaner, Sir Maharaja Sahib Bahadur of Dehra, Sir Maharaja Sahib Bahadur of Jallana, Sir Maharaja Sahib Bahadur of Jhalandhar and others too numerous to mention are office bearers and are working for the amelioration of this most backward and neglected yet noble and chivalrous race, and their first and foremost -- principle is that only communal members can be office bearers and become members thereof. Thus it is quite clear that the Rajput Upakarini Provincial Maha Sabha of Mysore being a Non-Communal Sabha has neither right to claim election to the Assembly nor can elect on behalf of the Rajput Community.

Under these circumstances I request you to move the benign Government of Sir Maharaja Sahib Bahadur of Mysore to set aside the present order of grouping this Sabha with the -- other Non-communal sabhas which is unjust in which this Sabha does

does not deserve, and to nominate the President of this Sabha as a member of the Mysore Representative Assembly on behalf of the Anjaput Community for which act of justice, kindness and generosity this Sabha shall be highly indebted to the -- benign Government of Sriraman His Highness the Maharaja Sahib Bahadur of Mysore. The Representations of this Sabha to the Deputy Commissioner, Mysore District, contain all the necessary details required for the nomination of a member from an - - association on behalf of Minor Communities.

I am directed by this Sabha to inform you that under the circumstances the voter's list is unnecessary.

To,

A.V. Ramanathan, Esqr., B.A.,

Deputy Commissioner, Mysore Dist.,

M Y S O R E.

Sir,

In enclosing herewith copies of the memorandum and article of this Sabha and of the certificate of registration issued by the Registrar of Joint Stock Companies in Mysore for having registered this Sabha as No. 970 dated 16-12-1926 under the societies regulations No. 111 1904, I beg to state that this Sabha is also registered and recognised as a Branch of the Kshattriya Maha Sabha (All-India) representing the whole of Mysore State.

This Sabha learns that the Rajput Upakarini Provincial Sabha of Mysore has tried for recognition and to elect a candidate to the Mysore Representative Assembly on behalf of the Rajput Community.

I beg to state that that Sabha is not a Communal Sabha because it has extended the membership to the community other than the Rajputs, such as the Gowda-Brahmins, the Kayasthas, the Kshattriya, the Dalas and such others who are not Rajputs and as such they have no rights either to elect a candidate on behalf of this community or claim the same.

This Sabha is a registered and recognised branch of the Kshattriya Maha Sabha (All-India) a purely communal Sabha, wherein the noble and illustrious Rajput Ruling Princess such as His Highness

His Highness the Maharaja Sahib of Alwar, His Highness the Maharaja Sahib of Bikaner, His Highness the Maharaja Sahib of Rewa, His Highness the Maharaja Sahib of Sailana, The Rajakumar Sahib of Shahapura and others too numerous to mention are office bearers and are working for the amelioration of this most backward and most neglected community.

This Sabha is ~~working~~ working under the direct guidance of the Kshatriya Maha Sabha (All-India). The first and foremost principle of the Kshatriya Maha Sabha (All-India) is, that the membership -- extends only to members of the community i.e., Rajputs and others are not allowed membership and even if allowed under special circumstances they have no voice in the management of affairs of the Sabha and they are not allowed to be office bearers. The Kshatriya Prantik Sabha, S.P.R. Rajputs Reading Room and Brotherhood, Mysore, is a communal organisation of one community i.e., Rajputs re-established recognised and guided by the Kshatriya Maha Sabha, (All-India).

I am herewith enclosing for your kind information a copy of the reply from the Secretary, Kshatriya Maha Sabha, (All-India) to the Secretaries of the Rajput Wakarini Sabha, Mysore, in reply to their representation and allegations against the Kshatriya Prantik Sabha, S.P.R. Rajputs Reading Room and Brotherhood, Mysore, which gives you the details. This Sabha was re-organised on 14-1-1926 and opened on 4th July 1926. It has held 9 meetings during this period and has about 150 members. It has maintained the accounts of the Sabha up-to-date. The enclosed chart gives you an idea of the present various activities of this Sabha. The S.P.R. Rajputs Hostel is organised and is anticipating the permission of His Holiness, Sri 108 Sri etc. Mahaswamyji Rajaguru, Rewa, for performing the opening ceremony of the same.

Under these circumstances I request you to be pleased to -- recommend the case of this Sabha to the benign Government of our beloved and illustrious Sovereign His Highness the Maharaja Sahib of Mysore to nominate the President of this Sabha as a member to the Mysore Representative Assembly on behalf of this minor --

Community (consisting a population of about 25,000) in for which act of sympathy and generosity I, on behalf of this Sabha pray Almighty to shower his choicest blessings on you.

I beg of you to be pleased to favour me with an early reply of the kind and generous support rendered by you.

Dear Sirs,

With reference to your letter dated 30th December 1926 and the accompanying report addressed to the President, I have been directed to say that according to your report, membership of your Sabha extends to other castes, namely Kayasth, Jhatteris, Gowda Brahmans etc., This is in direct contradiction to the rules of the Kshattriya Maha Sabha, the membership of which is exclusively confined to pure Kshattriyas. The previous authorities, if any, are based upon the supposition that your Sabha is composed of pure Rajaputs only. Since your composition is very general embracing non-Rajput castes as well, I am sorry to inform you that the former authorities, if any, being based upon incorrect and insufficient informations are invalid.

Will you please let me know on what facts and allegations you obtained the authority regarding your Sabha's recognition by the Kshattriya Mahasabha, Sending Copies of the Correspondence.

Introduction:—It is a patent fact that the downfall of the Rajaputs, their Empires, and their civilization is mainly due to their negligence towards "knowledge"—the power which sows the seeds of Sociality and unanimity. Literacy is of secondary importance to a Rajaput. It is true that sword is mightier, but it may well be remembered that pen is equally mighty. History informs us that a Rajaput armed with a sword fights well, but if armed with a sword and a pen, success is sure. It is also admitted on all hands or there can be no two opinions that Rajaputs as a class are little trained to be social, i.e. The feeling of brotherhood, the root, branch, and twing of "unanimity" is absent on account of peculiar, eccentric circumstances that are known to every Rajaput and that do not require any narration here.

The idea of a common central "Rendezvous" meeting place is very keenly felt by one and all (Rajaputs), where the pains and gains of everybody life are easily forgotten, views and ideas exchanged, better manners learnt, and civilization increased, thus strengthening the bonds of unanimity. Every one feels that there should be such a place, and every one knows that such a place is a necessity and not a luxury.

It is with the idea of paving the way for future betterment (i.e. sowing the seeds of sociality and unanimity) that this attempt has been made, which needs the hearty cooperation of every Rajaput, young and

¶ By M. Narayanasingh—Mysore.

old, rich and poor, the educated and the uneducated, the earning and the non-earning alike.

Having studied this question carefully in all its aspects, it is opined that the hearty co-operation of every individual Rajaput is quite essential and a necessity, because, some are capable of rendering their personal services, some others their pecuniary services, while others can conveniently be on the advisory board. Thus it will be seen that the help of every individual Rajaput is a necessity.

It is earnestly hoped that this long felt necessity will meet with the due encouragement it deserves at the hands of all Rajaput Residents of Mysore, thus giving an opportunity for training the younger Rajaput generation in the brotherhood of man and fatherhood of God.

The Secretary to the Government

of His Highness the Maharaja of Mysore,

Law Department, B a n g a l o r e.

Sir,

In acknowledging the receipt of the copy of Proceedings of the Government of His Highness the Maharaja of Mysore, Order No. Rel.1075-84/R.A. 42-26 dated Bangalore the 12th April 1927, I beg to ~~inform~~ enclose herein copies of our representations to the Deputy Commissioner, Mysore District, Mysore, in the matter, for kind information of the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore.

This Sabha is highly indebted to the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore for kindly recognising it for being represented on the Representative Assembly, but feels very sorry for having degraded it by grouping it with a non-Communal Sabha.

This Sabha feels extremely sorry for the undeserved injustice accorded to it at the hands of the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore, thus changing its distinct policy in matters communal.

Being directed by this Sabha, I have made it clear in my reference No.222/26 dated 26-3-1927 addressed to the Deputy Commissioner, Mysore District in the matter, that the Rajaput Upakarini Provincial Maha --

Maha Sabha of Mysore is not a Communal Sabha because it has extended the membership to the members of other Communities, such as the Gowda-Brahmins, the Lalas, the Khattries and the Kayasthas, who are not Rajaputs. The Rajaput Upakarini Provincial Maha Sabha of -- Mysore is registered for advancing the interests of the above - - mentioned communities and has also allowed the members of the above communities to be office-bearers, thereby the benefit if any - - derived being distributed amongst all the above communities, thus the interests of this most backward and neglected community, being allowed to suffer even in future. A kind reference to the - - Registrar of Joint Stock Companies in Mysore will clear the doubts if any. In this connection I invite your kind attention to the reply of the Secretary of the Kshattriya Maha Sabha (All-India) Rajaputana, to the Secretaries of the Rajaput Upakarini Maha Sabha Mysore, copy of which is enclosed herein, along with other enclosure. It will be seen therefrom that the Rajaput Upakarini Provincial -- Maha Sabha of Mysore is not recognised because it is not a Communal Sabha, by the Kshattriya Maha Sabha (All-India) wherein the noble and illustrious Rajaput (Kshattriya) Princess of India such as -- Sriman His Highness the Maharaja Saheb Bahadur of Alwar, Sriman - His Highness the Maharaja Saheb Bahadur of Bikaner, Sriman His - Highness the Maharaja Saheb Bahadur of Rewa, Sriman His Highness the Maharaja Saheb Bahadur of Sailana, Sriman Rajakumar Saheb of Shapura and others too numerous to mention are Office bearers and are working for the amelioration of this most backward and neglected yet noble and chivalrous race, and their first and foremost - - principle is that only communal members can be office bearers and become members thereof. Thus it is quite clear that the Rajaput Upakarini Provincial Maha Sabha of Mysore being a Non-Communal Sabha has neither right to claim election to the Assembly nor can elect on behalf of the Rajaput Community.

Under these circumstances I request you to move the benign Government of Sriman His Highness Maharaja Saheb Bahadur of Mysore to set aside the present order of grouping this Sabha with the - other Non-communal sabha which is unjust and which this Sabha does

does not deserve, and to nominate the President of this Sabha as a member of the Mysore Representative Assembly on behalf of the Rajput Community for which act of justice, kindness and generosity this Sabha shall be highly indebted to the -- benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore. The Representations of this Sabha to the Deputy Commissioner, Mysore District, contain all the necessary details required for the nomination of a member from an -- association on behalf of minor Communities.

I am directed by this Sabha to inform you that under the circumstances the voter's list is unnecessary.

I am further directed by this Sabha to request you to kindly favour this Sabha with a very early reply of the action taken in the matter, as the same being a communal question has to be referred to the Mahatthiya Maha Sabha (All-India) -- Rajputana whose branch this Sabha is.

Dear Sirs,

With reference to your letter dated the 30th December 1926, and the accompanying report addressed to the President, I have been directed to say that according to your report, membership of your Sabha extends to other Castes, namely Kayasth, Khatteris, Gowda Brahmans etc, This is in direct contradiction to the rules of the Keshattinya Maha Sabha, the membership of which is exclusively confined to pure Keshattinyas. The previous authorities, if any, are based upon the supposition that your Sabha is composed of pure Rajaputs only. Since your Composition is very general embracing non-Rajaput Castes as well. I am sorry to inform you that the former authorities, if any, being based upon incorrect and insufficient informations are invalid.

Will you please let me know on what facts and allegations you obtained the authority regarding your Sabha's recognition by the Keshattinya Maha Sabha, sending copies of the Correspondence.

To: The Secretary to the Government

of His Highness the Maharaja of Mysore,

Sir,

In acknowledging the receipt of the copy of Proceedings of the Government of His Highness the Maharaja of Mysore, Order No. Rcl.1075-24/R.A. 49-26 dated Bangalore the 12th April 1927, I beg to ~~inform~~ enclose herein copies of our representations to the Deputy Commissioner, Mysore District, Mysore, in the matter, for kind information of the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore.

This Sabha is highly indebted to the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore for kindly recognising it for being represented on the Representative Assembly, but feels very sorry for having degraded it by grouping it with a non-Communal Sabha.

This Sabha feels extremely sorry for the undeserved injustice accorded to it at the hands of the benign Government of Sriman His Highness the Maharaja Sahab Bahadur of Mysore, thus changing its distinct policy in matters communal.

Being directed by this Sabha, I have made it clear in my reference No.222/26 dated 26-3-1927 addressed to the Deputy Commissioner, Mysore District in the matter, that the Rajput Upakarini Provincial Maha -

Maha Sabha of Mysore is not a Communal Sabha because it has extended the membership to the members of other Communities, such as the Gowda-Brahmins, the Lallas, the Khattries and the Kayasthas, who are not Rajaputs. The Rajaput Upakarini Provincial Maha Sabha of -- Mysore is registered for advancing the interests of the above - - mentioned communities and has also allowed the members of the above communities to be office-bearers, thereby the benefit if any - - derived being distributed amongst all the above communities, thus the interests of this most backward and neglected community, being allowed to suffer even in future. A kind reference to the - - Registrar of Joint Stock Companies in Mysore will clear the doubts if any. In this connection I invite your kind attention to the reply of the Secretary of the Kshatriya Maha Sabha (All-India) Rajaputana, to the Secretaries of the Rajaput Upakarini Maha Sabha Mysore, Copy of which is enclosed herein, along with other enclosures. It will be seen therefrom that the Rajaput Upakarini Provincial -- 8. Maha Sabha of Mysore is not recognised because it is not a Communal Sabha, by the Kshatriya Maha Sabha (All-India) wherein the noble and illustrious Rajaput (Kshatriya) Princes of India such as -- Sriman His Highness the Maharaja Sahab Bahadur of Alwar, Sriman -- His Highness the Maharaja Sahab Bahadur of Pikaner, Sriman His -- Highness the Maharaja Sahab Bahadur of Rewa, Sriman His Highness the Maharaja Sahab Bahadur of Jilana, Sriman Rajakumar Sahab of Chapura and others too numerous to mention are office bearers and are working for the amelioration of this most backward and neglected yet noble and chivalrous race, and their first and foremost - - principle is that only communal members can be office bearers and become members thereof. Thus it is quite clear that the Rajaput Upakarini Provincial Maha Sabha of Mysore being a Non-Communal Sabha has neither right to claim election to the Assembly nor can elect on behalf of the Rajaput Community.

Under these circumstances I request you to move the benign Government of Sriman His Highness Maharaja Sahab Bahadur of Mysore to set aside the present order of grouping this Sabha with the - other Non-communal sabha which is unjust and which this Sabha does

does not deserve, and to nominate the President of this Sabha as a member of the Mysore Representative Assembly on behalf of the Rajput Community for which act of justice, kindness and generosity this Sabha shall be highly indebted to the -- benign Government of Sriman His Highness the Maharaja Sahib Bahadur of Mysore. The Representations of this Sabha to the Deputy Commissioner, Mysore District, contain all the necessary details required for the nomination of a member from an -- association on behalf of Minor Communities.

I am directed by this Sabha to inform you that under the circumstances the voter's list is unnecessary.

I am further directed by this Sabha to request you to kindly favour this Sabha with a very early reply of the action taken in the matter, as the same being a communal question has to be referred to the Kshatriya Maha Sabha (All-India) -- Maharajpura whose branch this Sabha is.

I beg to remain,

Sir,

In enclosing herewith copies of the memorandum and article of this Sabha and of the certificate of registration issued by the Registrar of Joint Stock Companies in Mysore for having registered this Sabha as No.970 dated 16-12-1926 under the societies regulations No.111 1904, I beg to state that this Sabha is also registered and recognised as a Branch of the Kshatriya Maha Sabha (All-India) representing the whole of Mysore State.

This Sabha learns that the Rajput Upakarini Provincial Sabha of Mysore has tried for recognition and to elect a candidate to the Mysore Representative Assembly on behalf of the Rajput Community.

I beg to state that that Sabha is not a Communal Sabha because it has extended the membership to the community other than the Rajaputs, such as the Gowda-Brahmins, the Kayastha, the Khattriya, the Lalas and such others who are not Rajaputs and as such they have no rights either to elect a candidate on behalf of this community or claim the same.

This Sabha is a registered and recognised branch of the Kshatriya Maha Sabha (All-India) a pure'y communal Sabha, wherein the noble and illustrious Rajaput Ruling Princess such as His Highness

SAYYAJI RAO ROAD,

Mysore 26th March, 1927.

His Highness the Maharaja Sahib of Alwar, His Highness the Maharaja Sahib of Bikaner, His Highness the Maharaja Sahib of Rewa, His Highness the Maharaja Sahib of Sailana, The Rajakumar Sahib of Shahapura and others too numerous to mention are office bearers and are working for the amelioration of this most backward and most neglected community.

This Sabha is ~~working~~ working under the direct guidance of the Kshatriya Maha Sabha (All-India). The first and foremost principle of the Kshatriya Maha Sabha (All-India) is, that the membership -- extends only to members of the community i.e., Rajaputs and others are not allowed membership and even if allowed under special circumstances they have no voice in the management of affairs of the Sabha and they are not allowed to be office bearers. The Kshatriya Prantik Sabha S. P. M. Rajaputs Reading Room and Brotherhood, Mysore, is a communal organisation of one community i.e., Rajaputs re-established recognised and guided by the Kshatriya Maha Sabha, (All-India).

I am herewith enclosing for your kind information a copy of the reply from the Secretary, Kshatriya Maha Sabha, (All-India) to the Secretaries of the Rajaput Hrakarini Sabha, Mysore, in reply to their representation and allegations against the Kshatriya Prantik Sabha, S. P. M. Rajaputs Reading Room and Brotherhood, Mysore, which gives you the details. This Sabha was re-organised on 14-1-1926 and opened on 4th July 1926. It has held 9 meetings during this period and has about 150 members. It has maintained the accounts of the Sabha up-to-date. The enclosed chart gives you an idea of the present various activities of this Sabha. The S. P. M. Rajaputs hostel is organised and is anticipating the permission of His Holiness, Sri 108 Sri etc. Mahaswamyji Rajaguru, Rewa, for performing the opening ceremony of the same.

Under these circumstances I request you to be pleased to -- recommend the case of this Sabha to the Benign Government of our beloved and illustrious Sovereign His Highness the Maharaja Sahib of Mysore to ~~the~~ nominate the President of this Sabha as a member to the Mysore Representative Assembly on behalf of this minor --

Community (consisting a population of about 25,000) in for which act of sympathy and generosity I, on behalf of this Sabha pray Almighty to shower his choicest blessings on you.

I beg of you to be pleased to favour me with an early reply of the kind and generous support rendered by you.

¶ **Introduction:-** It is a patent fact that the downfall of the Rajaputs, their Empires, and their civilization is mainly due to their negligence towards "knowledge"—the power which sows the seeds of Sociality and unanimity. Literacy is of secondary importance to a Rajaput. It is true that sword is mightier, but it may well be remembered that pen is equally mighty. History informs us that a Rajaput armed with a sword fights well, but if armed with a sword and a pen, success is sure. It is also admitted on all hands or there can be no two opinions that Rajaputs as a class are little trained to be social, i.e. The feeling of brotherhood, the root, branch, and twing of "unanimity" is absent on account of peculiar, eccentric circumstances that are known to every Rajaput and that do not require any narration here.

The idea of a common central "Rendezvous" meeting place is very keenly felt by one and all (Rajaputs), where the pains and gains of everybody life are easily forgotten, views and ideas exchanged, better manners learnt, and civilization increased, thus strengthening the bonds of unanimity. Every one feels that there should be such a place, and every one knows that such a place is a necessity and not a luxury.

It is with the idea of paving the way for future betterment (i.e. sowing the seeds of sociality and unanimity) that this attempt has been made, which needs the hearty cooperation of every Rajaput, young and

¶ By M. Narayanasingh—Mysore.

old, rich and poor, the educated and the uneducated the earning and the non-earning alike.

Having studied this question carefully in all its aspects, it is opined that the hearty co-operation of every individual Rajaput is quite essential and a necessity, because, some are capable of rendering their personal services, some others their pecuniary services, while others can conveniently be on the advisory board. Thus it will be seen that the help of every individual Rajaput is a necessity.

It is earnestly hoped that this long felt necessity will meet with the due encouragement it deserves at the hands of all Rajaput Residents of Mysore, thus giving an opportunity for training the younger Rajaput generation in the brotherhood of man and fatherhood of God.

The enclosed copy will inform the Darbar in the details.

This Sabha is informed that both the Sabhas of Mysore have been grouped for the purposes of election of a member to the Darbars Council on behalf of this community. As the Rajputra Upkarini Provincial Maha Sabha of Mysore is not a Communal Sabha, I have the honour to request you to set aside such combination and help the President of the Kshatriya Prantik Sabha of Mysore in the nomination of the Legislative and Representative Assembly.

I hope you would render your ~~persona~~ personal assistance in this communal matter.
